

College of Engineering and Information Technology Undergraduate Programs – Bachelor’s (2014--2018)

Undergraduate Degree Programs (all B.S. unless noted)	2018		2017		2016		2015		2014	
	Enrolled	Graduated	Enrolled	Graduated	Enrolled	Graduated	Enrolled	Graduated	Enrolled	Graduated
Business Technology Administration (B.A.)	289 (341)	87	278 (314)	70	268 (313)	82	298 (341)	64	276 (310)	52
Chemical Engineering	283 (305)	66	323 (338)	58	326 (342)	53	369 (386)	44	357 (379)	28
Computer Engineering	366 (453)	78	348 (396)	42	332 (401)	53	362 (433)	42	355 (400)	31
Computer Science	1,374 (1,506)	185	1,152 (1,258)	182	1,067 (1,188)	147	1,003 (1,109)	135	966 (1,058)	126
Information Systems	899 (943)	218	854 (887)	177	757 (802)	186	673 (720)	170	646 (678)	167
Mechanical Engineering	620 (652)	115	585 (621)	102	553 (584)	113	574 (603)	94	568 (589)	89

Notes for Undergraduate Programs

- Undergraduate programs in engineering (chemical, computer, and mechanical) and computer science are accredited by [ABET](#).
- Beginning fall 2015, freshmen engineering and computer science enroll as “pre-” engineering (chemical, computer, and mechanical) and pre-computer science programs. Students enter respective engineering and computer science programs upon completion of gateway requirements. Enrollments presented on this chart include “pre-” engineering and computer science plans.
- Enrollment charts shared on this chart do not include undeclared engineering students because engineering-undeclared is not a degree-granting program.
