

College of Engineering and Information Technology

Undergraduate Programs – Bachelor's (2019-2023)

Undergraduate Degree Programs (all B.S. unless noted)	2023		2022		2021		2020		2019	
	Enrolled	Graduated	Enrolled	Graduated	Enrolled	Graduated	Enrolled	Graduated	Enrolled	Graduated
Business Technology Administration (B.A.)	285 (361)	64	299 (388)	81	288 (366)	80	289 (360)	94	305 (358)	93
Chemical Engineering	202 (223)	56	227 (250)	49	232 (254)	57	254 (275)	56	253 (266)	64
Computer Engineering	258 (368)	40	245 (386)	48	285 (401)	68	307 (439)	84	339 (414)	64
Computer Science	1798 (1912)	330	1,778 (1,918)	312	1,679 (1,852)	281	1,526 (1,678)	249	1,420 (1,539)	206
Information Systems	946 (1,009)	226	810 (883)	278	835 (916)	290	910 (962)	248	903 (940)	265
Mechanical Engineering	623 (642)	111	582 (605)	101	559 (581)	148	589 (623)	120	595 (628)	143

Notes for Undergraduate Programs

1. Enrolled = Primary Plan (Primary Plan + Additional Plan)
2. Beginning fall 2015, freshmen engineering and computer science enroll as "pre-" engineering (chemical, computer, and mechanical) and pre-computer science programs. Students enter respective engineering and computer science programs upon completion of gateway requirements. Enrollments presented on this chart include "pre-" engineering and computer science plans.
3. Enrollment charts shared on this chart do not include undeclared engineering students because engineering-undeclared is not a degree-granting program.
