THE COLLEGE OF ENGINEERING & INFORMATION TECHNOLOGY

THE
COMPUTING AND ENGINEERING TRANSFER INSTITUTE

WHO?

Students entering UMBC who are eligible for a program in the College of Engineering & Information Technology for the Fall 2024 semester

WHAT & WHY?

This two-week hybrid summer program aims to connect new transfer students with their peers, COEIT Faculty/Staff, and UMBC resources. Students will have the opportunity to jump start their UMBC journey by attending major related workshops and social activities. These major related workshops will be offered by COEIT faculty and are focused on topics that will support transfer students in their first year at UMBC.

~ Students can receive $100 Retriever dollars for completing the program ~

WHEN?

The program will run from August 12 - August 23, 2024

Academic workshops will be offered virtually with on-campus applied learning and social events.

*Detailed schedule will be shared at a later date

Past Workshop Topics
MATlab
Solidworks
Linux
Entrepreneurship in IS
Graduation Planning
Leveraging Your Transfer Experience
& More!
